

## **Volunteering at The Old Tannery**

Questions? Please contact Richard at [rsrromain@gmail.com](mailto:rsrromain@gmail.com)

### **Typical Tasks for Volunteers**

These are examples of tasks which may be required but the tasks change all the time and they depend on how many volunteers we have and their capabilities!

We hope that everyone will find something they enjoy doing and get satisfaction out of doing it. If there are important tasks no-one wants to do, we tend to do it together so that we get to enjoy the team spirit, but this rarely approaches the level of 20% of the work we do.

**Equipment** : we have a well-equipped workshop with tools which we expect you to maintain and replace at the end of each day.

### **Indoor Tasks**

Cleaning training centre

Cleaning stairwells

Painting walls and windows

Cleaning windows

Assist with building work

Plumbing

Electrical work

### **Outdoor Tasks**

Clearing brambles

Weeding the gardens

Digging vegetable garden

Planting vegetables and flowers

Picking vegetables

Clearing water course around factory

Repairing fences and walls

Tree cutting

Grass cutting

Strimming
